**THE GREAT ALLENTOWN FAIR FOUNDATION NOW
ACCEPTING APPLICATIONS FOR 2020-2021 SCHOLARSHIP CANDIDATES**

The Great Allentown Fair Foundation is now accepting applications for high school seniors interested in pursuing college-level education in the upcoming 2020-2021 term.

Scholarships are offered in the amounts of \$1,000 and \$2,500, and students are encouraged to get their completed applications in for both before 5pm on Tuesday, June 30, 2020. The application and submittal process are posted at: AllentownFairFoundation.org

Agriculture has long been, and continues to be, a major driver of Pennsylvania's economy – and its largest industry – providing over \$84 billion in direct economic output and supporting over 280,000 jobs. The field of agriculture is diverse and has opportunities everywhere: from growing crops to rearing animals; from organics, sustainability, and farm-to-table to canning, wine making and wool production.

“We are very fortunate to have generous donors helping students to follow their passion for agricultural education at either a 2-year or 4-year institution,” says James Seip, Great Allentown Fair Foundation Trustee and Scholarship Committee Co-Chair.

The Great Allentown Fair Foundation is a 501(c)(3) organization chartered in 2019, as a separate subsidiary of the Lehigh County Agricultural Society. The mission of the Great Allentown Fair Foundation is to provide philanthropic opportunities through grants and charitable donations to preserve, enrich, and advance agriculture.
